Drawings

1. The drawings filed on 5 December 2003 are acceptable subject to correction of certain informalities. Correction is required. Figures 4 and 6 are illegible.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Marisa Zink on 5 June 2008.

The application has been amended as follows:

Cancel claim 23.

3. The following is an examiner's statement of reasons for allowance:

The prior art of record do not disclose, teach, or suggest a method of translating programming language terminology from one programming language to another using natural language search. The prior art teaches source code translation and natural language search engines, but it does not teach the combination of them and the
